Now Wireless Pacific brings you even more choice. Our expanded range of plug-in earpieces deliver exceptional performance and are available in 2.5mm twist & lock, 3.5mm standard fit, or 3.5mm threaded "V" series versions.

Economically priced, they keep personal issue costs down while keeping workplace hygiene and employee morale high (whilst ensuring your OH&S duty of care imperatives).

Every earpiece can be comfortably worn all day long and feels like it melts away within moments of fitting. Accessories that deliver feel good, crystal clear audio are priced so you can choose what best suits your operational needs without compromising your budget.

WPTEP and WPTEH Acoustic tube earpieces feature Quick Disconnect connectors for easy change and replacement of eartubes for ensuring optimum employee hygiene.
